IMPORTANT NOTES (Please read carefully)

- The traveling times mentioned within this dossier are approximate durations. These times will vary according to weather, road, traffic or any other prevailing conditions.
- Day trains between metros have an air-conditioned `chair car'. This `chair car' compartment has reclining seats (like an aircraft). Snacks and meals are often included in the ticket.
- Overnight trains have berths in air-conditioned compartments. We usually book those compartments which have only four beds in each compartment and two along the aisle, stacked vertically in two tiers (2AC). There is the added benefit of privacy curtains on the entrance to each compartment, as well as across each of the beds that run along the aisle. Fresh towels and bedding (linen, blanket and pillow) are provided at night. If these sleepers are not available then we book air-conditioned compartments where beds are stacked in three tiers (3AC)
- This itinerary and supplementary information has been compiled in good faith and was accurate at time of writing. However it DOES NOT form part of a contract between the client and Odyssey Tours & Travels Pvt Ltd.
